

Signing up to a UK-Racketball Event through SportyHQ

2019 and 2021 were fantastic years for the UK-Racketball Series with every regional event selling out and a brilliant British Closed, British Open and National Doubles. To take UK-Racketball to the next level we have partnered with a tournament software provider SportyHQ.

We hope to streamline the entry process and provide the community with some great features such as online scores, historic head to heads and automatic ranking calculators. From our meetings with SportyHQ they are as passionate about our sport as we are.

What are the advantages to partnering with SportyHQ?

Online Entry: You will be able to enter the event online with the **entry list updating in real time**. This means that once you have entered you will be able to check for yourself that everything has come through. You will also be able to see which of your friends and rivals have entered and what competition you will be up against.

Withdrawals will also be automatic: If you need to withdraw you will not need to send an email to us you will be able to simply take yourself out of the event and double check that it has come through correctly by looking at the entry list after you have done this.

Live Scores: If you cannot make an event but want to see how your friends and rivals are faring you will be able to follow their progress in real time on SportyHQ.

Where to find the events entry page

There are two ways for you to find the events online.

UK-Racketball

The first is to head to the UK-Racketball website in the normal way through the navigation bar – Events – UK-Racketball Series – 2022 HEAD UK-Racketball Series – pick the event that you want

On the event page follow the link to the events online entry system on SportyHQ.

The advantage of heading first to UK-Racketball is that here is where most of the event information is, tournament introduction, hall of fame and information on the previous year's event.

SportyHQ

Alternatively head directly to SportyHQ – www.sportyhq.com and search for the event in the search bar at the top of the page.

Once you are a member of UK-Racketball on SportyHQ you will be able to see all up coming tournaments in the members section. *It is free to become a member, see section below on how to sign up.*
